PART III — RULES AND DISCIPLINE

Attendance [**]

Refer to District Policy 503R

Regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students, and establishes regular habits of dependability. For detailed information, see the “Student Attendance” policy on the district website at www.rockford.k12.mn.us.

Absence Notification

Parents/guardians are required to call the office staff each day a child is absent or tardy. Whenever an absence is pre-arranged (doctor, dentist, etc.) the student should bring a written permission slip from home in advance of the absence.

Excused Absence

Excused absences need to be verified upon the student’s return to school. Parents are requested to send a written excuse stating the reason for the absence; it must be dated and signed by the parent. Excused absences from school include, but are not limited to, student illness, medical or dental appointment, family emergency, religious observance or family vacation, and other absences which are pre-approved. Illness

Regular attendance at school is of utmost importance. However, we suggest that you do not send your child if he/she has a rash, fever, upset stomach, severe cold, undiagnosed red eyes, or sore throat. The school reserves the right to require medical verification in cases where student absences are excessive. From time to time, we receive notes from parents requesting that their child be excused from recess and/or physical education. Normally, children who are too ill to go outside for recess or participate in physical education are too ill to be at school. Any child who is to be excused from recess and/or phy ed for

an extended period of time must have a doctor’s written excuse, which has been approved by our Health Service Office.

Make-up School Work

Make-up schoolwork may be obtained at the end of the school day after the third day of illness. Contact the school office the morning of the third day to make arrangements to have your child’s make-up work prepared.

Tardies

Students arriving after the morning bell will be considered TARDY. Students must report to the school office to obtain a Student Pass to class. Tardies in which students have an excused pass from a teacher or administrator will not count against the student’s attendance. There may be consequences for excessive tardiness.

Unexcused Absences or Tardiness

Absences or tardiness, which could have been avoided or prior approval was not made through the building principal’s office, are considered unexcused. This absence includes when the student has been absent from school with the consent of the parents but the excuse presented by the parents is not acceptable to school authorities. Examples include oversleeping, shopping, babysitting, working from home and missing the bus.

Closed Campus

Rockford Area Schools maintain closed campuses. Students who leave the building without adult supervision or permission are in violation of school policy and are subject to school consequences. This includes student lunch time. Students who leave for any reason must sign out through the front office before they leave. **Notes to excuse an absence when a student leaves without signing out through the office will not be accepted.** Entrance to the school during the day is limited; all doors are locked for the protection of students and staff. During school hours, all visitors need to report to the school office.

Leaving During School Hours

All children need to be dismissed through the office. Once the parent/guardian has completed the Student Sign Out Log, school office personnel will call the classroom requesting that the child report to the office

for dismissal. Parents are strongly encouraged to send a note to their child's teacher indicating that they will be picking their child up early from school. No child will be allowed to leave his/her classroom early without authorization from the school office. We need your cooperation on this matter to assure the safety of your children.

Note to Parent: As a result of state and federal expectations, it is essential that our students be in attendance on all testing dates. Under the "No Child Left Behind Act" school districts are required to test at least 95% of eligible children. As family plans are made, testing dates should be avoided. Should you have any concerns regarding testing times, please seek the advice of your child's teacher.

Vacation and Vacation Lesson Plans

The building principal and staff recognize the educational value of family trips, although we encourage parents to plan their trip to coincide with scheduled school vacations. Absences due to a family vacation should be arranged, in advance, with the building principal and make-up work should be arranged, with the teacher, before the child leaves school.

Withdrawal Procedure

Please notify the school office and the teacher at least three days prior to withdrawing your child from school. You will be asked to indicate the last date of attendance and the name and address of the new school or school district. This information needs to be received by the school at least two days before the student's last day of attendance. This will enable us to properly close our school records for your child. Also, our regulations require that we have your signature on a Release Form, obtained from the receiving school, giving us permission to forward your child's records to the receiving school.

Behavior

All students are required to cooperate in creating an atmosphere that will make learning possible. Any behavior that interferes with learning, regardless of the degree, is considered disruptive. Students should conduct themselves at all times in a manner that will reflect positively upon themselves and Rockford Area Schools.

Bullying Prohibition []**

Refer to District Policy 514

The school district is committed to providing a safe and respectful learning environment for all students. Acts of bullying, in any form, by either an individual student or a group of students, is expressly prohibited on school premises, on school district property, at school functions or activities, on school transportation and by misuse of technology. Any incidents need to be reported immediately to the building principal. For detailed information regarding the school district's "Bullying Prohibition" policy, see **Appendix 6**.

The school district will not provide transportation for students whose transportation privileges have been revoked.

The school district is committed to transporting students in a safe and orderly manner. To accomplish this, student riders are expected to follow school district rules for waiting at a school bus stop and rules for riding on a school bus.

While waiting for the bus or after being dropped off at a school bus stop, all students must comply with the following rules:

- No use of alcohol, tobacco, or drugs.

While riding a school bus, all riders must comply with the following rules:

- Follow the driver's directions at all times.
- Remain seated facing forward while the bus is in motion.
- Talk quietly and use appropriate language.
- Keep all parts of your body inside the bus.
- Keep arms, legs, and belongings to yourself and out of the aisle.

- Do not bring any weapons or dangerous objects on the school bus.
- Do not damage the school bus.

Consequences for school bus/bus stop misconduct will be imposed by the school district under adopted administrative discipline procedures. All school bus/bus stop misconduct will be reported to the school district's transportation safety director. Serious misconduct may be reported to local law enforcement.

Bus Passes

Requests for students to ride a bus other than the designated bus, must be approved by an authorized school official. A bus pass must be presented to the bus driver before boarding. Under no circumstances will students be delivered to undesignated bus stops for social situations (i.e., birthday parties, sleepovers, Boy or Girl Scouts meetings, or other non-emergency events).

Transportation for day care changes must be completed using the Transportation Request Form three (3) school days prior to the date the change goes into effect. The forms are available at the Transportation Center or the school office.

Cell Phones, Pagers, and Other Electronic Communication Devices

Refer to District Policy 506 and 524R

Rockford Area Schools is committed to developing digital citizens who possess the skills to appropriately and responsibly use personal electronic devices. We encourage students to leave electronic devices at home, but if brought to school, it is strongly encouraged they be turned off and kept in the student's locker during the school day. Students are prohibited from using cell phones, pagers, and other electronic communication devices during the instructional day, unless permission is given by building principal or teacher. Appropriate

use varies by developmental level; therefore different expectations exist for elementary, middle, and high school level students. Electronic devices being used inappropriately during class will be confiscated. If an electronic device is confiscated, the parent will be contacted. Multiple violations will lead to disciplinary action.

At REAMS, cell phones are prohibited in classrooms.

At RMS-CES, students may appropriately use these devices before 7:50 a.m., during passing time, and after 2:45 p.m. in the school building. Electronic devices are allowed in the classroom during the school day with approval by a teacher for instructional purposes.

At RHS, electronic devices are allowed in the classroom during the school day with approval by a teacher.

Students also are prohibited from using a cell phone or other electronic communication device to engage in conduct prohibited by school district policies including, but not limited to, cheating, bullying, harassment, gang activity, etc. If the school district has a reasonable suspicion that a student has violated a school rule or law by use of a cell phone or other electronic device, the school district may search the device. The search of the device will be reasonably related in scope to the circumstances justifying the search. Students who use an electronic device during the school day and/or in violation of school district policies may be subject to disciplinary action pursuant to the school district's discipline policy. In addition, a student's cell phone or electronic device may be confiscated by the school district and, if applicable, provided to law enforcement. Cell phones or other electronic devices that are confiscated and retained by the school district will be returned in accordance with school building procedures.

The filming or photography of students, staff members, or school activities on your personal electronic device without the written consent of administration is strictly prohibited. Anyone who engages in the practice of sending, receiving, or possessing sexually explicit photos or messages (sexting) or inappropriate material will be subject to discipline up to and including expulsion.

The school bears no responsibility if electronic devices are lost, stolen, or damaged anywhere on school property.

Discipline []**

Refer to District Policy 506

Misbehavior by one student can disrupt the learning process for many other students. In addition, students must learn to practice good safety habits, value academic honesty, respect the rights of others, and obey the law. - Any apparel or footwear that would damage school property.
- Hats are not to be worn in the building except with the approval of the building principal (i.e., student undergoing chemotherapy, medical situations).

If the administration believes a student’s appearance, grooming, or mode of dress interferes

with or disrupts the educational process or school activities or poses a threat to the health or safety of the student or others, the student will be directed to make modifications or will be sent home for the day. A parent or guardian will be notified.

Asbestos Management Update [*]

The school district has developed an asbestos management plan. A copy of this plan can be found in the Director of Buildings and Grounds Office at the Rockford High School and is available on the district's website.

The school district has on file a complete and updated Management Plan for dealing with asbestos-containing building materials within the school district's buildings. The Management Plan is available for viewing by interested parties, Monday through Friday; 7:30 a.m. through 3:30 p.m. at the District Office or in the principal's office. Copies will be made available for reproduction at a nominal cost.

Rockford Elementary Arts Magnet School was designed without specifying or requiring the use of asbestos containing building materials. Rockford Middle School Center for Environmental Studies has asbestos containing mastic on ceiling tile and inside fire doors. Rockford High School has some asbestos containing floor tile.

As required by federal law, the condition of asbestos in our schools is surveyed every six months and inspected every three years as part of an ongoing operations and maintenance program.

Plan for abatement projects as well as a listing of the previous year's projects, can be found on our website at www.rockford.k12.mn.us.

If you have any questions or concerns please contact Director of Building and Grounds Maureen Mullen at the District Office, 763-477-9165.

Crisis Management

Refer to District Policy 806

The school district has developed a "Crisis Management" policy. The district has developed a district crisis management plan with school-specific areas. Students and parents will be provided with information as to district- and school-specific plans.

The "Crisis Management" policy addresses a range of potential crisis situations in the school district and includes general crisis procedures for securing buildings, classroom evacuation, campus evacuation, sheltering, and communication procedures. The school district will conduct lock-down drills, fire drills, and a tornado drill.

All school buildings have a facility diagram and site plan that includes the location of primary and secondary evacuation routes, exits, designated safe areas inside and outside of the building, and the location of fire alarm control panel, fire alarms, fire extinguishers, hoses, water spigots, and utility shut offs. All facility diagrams and site plans will be regularly updated and whenever a major change is made to a building. Facility diagrams and site plans will be maintained by the building administrator and on file in the school district office. Facility diagrams and site plans have been provided to first responders, such as fire and law enforcement personnel.

In the event of an emergency, information will be communicated via one or more of the following methods, depending on the situation:

1. District-wide phone call placed to household phone number in the Parent Portal

Health Information

Refer to District Policy 420, 516, 518, 530 and 806

Communicable Diseases

Refer to District Policy 420

To protect other students from contagious illnesses, students infected with certain diseases are not allowed to come to school while

contagious. If a parent suspects that his/her child has a communicable or contagious disease, the parent should contact the school nurse or principal so that other students who might have been exposed to the disease can be alerted.

Students with certain communicable diseases will not be excluded from attending school in their usual daily attendance settings as long as their health permits and their attendance does not create a significant risk of transmitting the illness to other students or school district employees. The school district will determine on a case-by-case basis whether a contagious student's attendance creates a significant risk of transmitting the illness to others.

DNR-DNI Orders

Refer to District Policy 518

The primary mission of the school district is education. DNR-DNI Orders (Do Not Resuscitate/Do Not Intubate) are medical documents. School district staff will not accept or honor requests to withhold emergency care or DNR-DNI orders. The school district will not convey such orders to emergency medical personnel.

First Aid

The nurse's office in each building is equipped to handle minor injuries requiring first aid. If the nurse's office is not open, assistance can be sought from the building's administrative office. If a student experiences a more serious medical emergency at school, 911 will be called and/or a parent/guardian will be contacted depending on the situation. The district has installed automated external defibrillators (AEDs) in Rockford Elementary Arts Magnet School next to the gym, at the Rockford Middle School next to the gym and by the District Office, at Rockford High School in the lunchroom, near the gym, and in the hallway across from the library, and at the Community Center near the front desk. Tampering with any AED is prohibited and may result in discipline.

Health Service

The student health office is staffed throughout the day by a licensed practical nurse, registered nurse and/or secretarial staff. The health office staff works under the direction and supervision of a licensed school nurse.

At the beginning of each year and as changes occur; please alert the school nurse, and

classroom teacher, if your child has a health problem that may affect his/her functioning. Also, promptly report to the nurse any communicable diseases, such as, strep throat, chickenpox, scabies, or head lice. Information will be kept confidential. If needed, the nurse is available for consultation with parents. If you need information about your child's health records contact the School Nurse at 763/477-5837.

Students who become sick at school should report to the health office. In the event of an emergency, your student's safety is our first priority. We will immediately contact parent/guardian and 911, if necessary. Parent/Guardian contact information provided in the Parent Portal will be used. **Please keep emergency contact information/phone numbers updated in your Portal.**

Students who become sick at school should visit the Health Room located in the school office. If a child has a fever of 100° or higher, or other symptoms of illness, the parent will be notified. Health Office personnel only will contact the parent/guardian regarding health-related issues. The child should then be picked up from school. School health personnel are not permitted to administer treatment to your child unless previously arranged and then according to our medication policy. The health office personnel will arrange for students who get sick at school to go home early.

A parent/guardian should notify the school if his/her child is unable to attend school because of illness. A 24 hour fever-free period (below 100 degrees F) without the use of medication, is required prior to returning your child to school. If you need information about your child's health records, contact the School Nurse at 763/477-5837 or the healthoffice@rockford.k12.mn.us or via the schools website at www.rockford.k12.mn.us, then click the respective school tab, then the health services tab" to access contact information.

Immunizations

Refer to District Policy 530

All students must be properly immunized or submit appropriate documentation exempting them from such immunizations in order to enroll or remain enrolled. Students may be exempted from the immunization requirement when the immunization of the student is contraindicated for medical reasons; laboratory confirmation of

adequate immunity exists; or due to the conscientiously held beliefs of the parents/guardians or student. The school district will maintain a file containing the immunization records for each student in attendance at the school district for at least five years after the student reaches the age of 18. For a copy of the immunization schedule or to obtain an exemption form or information, contact the school nurse or go to the district website at www.rockford.k12.mn.us for the district policy.

Medications at School During the School Day

Refer to District Policy 516

The school district acknowledges that some students may require prescribed drugs or medication during the school day. The school district's licensed school nurse, trained health clerk, principal, or teacher will administer prescribed medications, except any form of medical cannabis, in accordance with law and school district procedures.

Medication Administration

The administration of prescription and over-the-counter medication or drugs at school requires a completed signed request from the student's parent. A "Medication Administration" form must be completed once a year by a medical professional and/or when a change in the prescription or requirements for administration occurs. Prescription medication as used in this policy does not include any form of medical cannabis as defined in Minn. Stat. § 152.22, Subd. 6. Prescription medications must be brought to school in the original container labeled for the student by a pharmacist, and must be administered in a manner consistent with the instructions on the label. Prescription medications are not to be carried by the student, but will be left with the appropriate school personnel. Exceptions that may be allowed include: prescription asthma medications administered with an inhaler pursuant to school district policy and procedures, medications administered as noted in a written agreement between the school district and parent or as specified in an Individualized Education Program (IEP), a plan developed under Section 504 of the Rehabilitation Act (§504 Plan), or an individual health plan (IHP). The school district is to be notified of any change in a student's prescription medication

administration. The school Health Office does not stock or supply over-the-counter medication.

Medications must be picked up by a parent / guardian at the end of the school year. If medications are unclaimed or cannot be returned to the parent / guardian, school health staff are to keep the medications in their original container with label intact and store them in a secure, locked location. Periodically (for example once per year), health office staff are to contact the Wright County Sheriff's Office or Hennepin County Sheriff's office for pickup and disposal. If they are unable to pick up for disposal of medications, medications would be disposed of through Sharps Compliance, Inc. using their TakeAway Medication Recovery System.

Epinephrine Auto-Injectors/Inhalers

Refer to District Policy 516

Minnesota law allows students to carry and use their inhalers/ EPIPENS IF the licensed medication prescriber, parents and licensed school nurse agree the student has demonstrated appropriate knowledge and administration of the inhaler/ EPIPEN. A licensed medication prescriber's signed order for the Health Regulations and Procedures medication and parent signature must be on file in the school health office; this must include a statement to self-carry. Most elementary students need an adult to supervise their inhaler/ EPIPEN use to ensure adequate administration, frequency, technique, prescribed usage and safety. Parents are asked to provide an extra inhaler/EPIPEN to store in the health office in case the student's is left at home or lost. Students carrying these medications have the responsibility to use correctly and only for themselves. Students are asked to report to the health office if they use inhalers more than once during the school day. Students MUST report to the health office immediately if they use EPIPENS. Minnesota law allows, but does not require, school districts to maintain and administer EPI to a student or other individual who is determined to be having a severe allergic reaction, regardless of whether the student or

other individual has a prescription for an auto-injector.

Districts and schools may obtain and possess epinephrine auto-injectors to be maintained and administered by school personnel to a student or other individual if, in good faith, it is determined that person is experiencing anaphylaxis regardless of whether the student or other individual has a prescription for an epinephrine auto-injector. The administration of an epinephrine auto-injector in accordance with this section is not the practice of medicine.

Over-the-Counter Medication

With over-the counter medications (OTC), elementary and middle school students should follow the same policy as prescription medications. Please submit via fax or in person, the medication administration form, which can be accessed at www.rockford.k12.mn.us, then click the respective school tab, then the health services tab” to access contact information and forms. OTC medication must be in its original bottle. No OTC medication will be administered to students unless the above provisions are followed.

The school health office does not stock or supply over-the-counter medications. It is the responsibility of the parent/guardian to pick up prescription medication from the health office prior to the end of the school year. For the safety of all students these medications will not be sent home with the student. Please contact the health office staff if you need to make different arrangements otherwise the medication will be destroyed at the end of the year.

High school students will be allowed to carry non-prescription medications on their person, but the following rules apply:

1. The medication must be in the original container with label and dosage information intact, and must be administered in a manner

consistent with the instructions on the label.

2. A “Medication Administration” form must be signed by a parent and submitted to the Health Services Office each year for the student to self-administer the non-prescription medication.
3. The student’s name must be handwritten on the container. The student is not to share his/her medication with any other students. If any of the above rules are abused, the right will be cancelled.

Screenings

Hearing, and vision screenings will be administered according to state guidelines or when requested by a parent or teacher. If a potential concern is discovered, a referral will be sent to the parent/guardian.

Student Accident Report Procedure

If an injury requires more than first aid, the school nurse is called to access the injury. If an injury requires more care than we can provide safely at school, the parents are called and the child is monitored at home or referred to a physician. If the accident requires immediate medical attention that cannot be provided at school, 911 will be called. Reports of these injuries are written and turned into the building principal and filed in the student's health file.

Pesticide Application Notice [*]

The school district may apply pesticide(s) on school property. To the extent the school district applies certain pesticides, the school district will provide a notice by September 15 as to the school district’s plan to use these pesticides. In certain emergency-use situations (i.e. bees), a pesticide may be used without notification. A parent may request to be notified prior to the application of certain pesticides on days different from those specified in the notice. Additional information regarding what pesticides are used, the schedule of pesticide applications, and the long-term health effects of the class of pesticide on children can be requested by contacting the business manager at the Rockford Area Schools District Office, 763-477-9165.

Safety

The safety of students on campus and at school-related activities is a high priority of the district. While district-wide safety procedures are in place, student and parent cooperation is required to ensuring school safety.

Custody

In cases where parents are separated or divorced, and one parent has legal custody; the school must have proof in the form of a copy of the court order that spells out both custody and visitation rights. Schools must have on file appropriate legal documentation in order to assure compliance with any limiting court order.

All visitors will be required to sign in at the office and to wear a “visitors badge” while in the building during the school day. Visitors must have the approval of the principal before visiting a classroom during instructional time. An individual or group may be denied permission to visit a school or school property, or such permission may be revoked, if the visitor does not comply with school district procedures or if the visit is not in the best interests of the students, employee, or the school district.

Students are not allowed to bring visitors to school without prior permission from the principal.

2. Academic Honors

Academic Letter

The criteria for lettering will be a 3.67 cumulative Grade Point Average (GPA). This will be awarded for grades earned while in the 9th-12th grades. Awards will be determined once per year, based on the cumulative GPA at the conclusion of the school year. Seniors will receive their letter before graduation at Senior Awards Night (as with other senior awards the final marking period would not be included in the calculation).

Honors

Students in grade 12 that have maintained a 3.33 to 3.66 cumulative grade point average on a 4-point scale will receive Honors recognition.

High Honors

Students in grade 12 that received Honors recognition and also have earned an academic letter by maintaining a 3.67 or higher cumulative grade point average will receive High Honors recognition.

National Honor Society

Selection Process:

1. Students' academic records will be reviewed to determine scholastic eligibility. Students will be eligible beginning in 11th grade. Final GPA's from the previous school year will be used to establish the 3.5 requirement.
2. Students who are eligible scholastically will be notified by letter and invited to an informational meeting to review the remainder of the selection process.
3. Membership is not automatically conveyed simply because a student has achieved a specified level of academic performance. The selection process will focus on the remaining three criteria; leadership, character, and service.
4. Students will complete a Student Activity Information form. Each candidate is responsible to ensure that all necessary forms are returned by the given deadline. Late forms will not be considered in the selection process.
5. Faculty and staff will be given a list of all scholastically eligible students to rate accordingly regarding character and leadership qualities.
6. A committee consisting of five faculty members, chosen by the chapter advisor, will review the completed Student Activity Information Forms individually and complete a rating sheet on each candidate.
7. The chapter advisor will tally the rating scores for each candidate.
8. The chapter advisor will meet with the selection committee to review the scores of each candidate. Students who receive a score of at least 50 (60 possible) will be invited to become a member of National Honor Society. The committee will individually review the candidate files of those students who received a score of less than 50. A majority vote of the selection committee will determine the selection of these students. The chapter advisor has no vote.
9. Students will be notified by mail of the decision of the selection committee.
10. All documents used by the selection committee, including the Student Activity Information Form, faculty ratings, and other recommendation forms, are to assist the committee in making sound decisions regarding membership. Such documents are used only by the selection committee, the adviser, and the principal and are considered confidential.

Honor Roll

The Rockford High School Honor Roll will be published at the conclusion of each trimester approximately two weeks after the grading period ends. The Grade Point Average (GPA) will be calculated on current term grades. A grade of "D" or "I" will eliminate a student from eligibility for either the "A" or "B" honor roll.

"A" Honor Roll: Students in grades 9 through 12 who achieve a GPA of 3.67 or higher will be recognized on the "A" honor roll.

"B" Honor Roll: Students in grades 9 through 12 who achieve a GPA of 3.00 or higher, but less than 3.67 with no D's will be recognized on the "B" honor roll.

Honor roll status is based on a 4 point scale.

Student-of-the-Month

In an attempt to recognize the efforts of our students, Rockford High School has a "Student-of-the-Month" program. This program allows each of our departments at the high school to recognize one student each month as the student-of-the-month. These students and their parents are then invited to a recognition breakfast where the students receive a certificate that recognizes them as a "Student-of-the-Month."

The complaint must be filed within 30 calendar days of the alleged violation.
- B. The Human Rights Officer (*Building Principal*) is responsible for receiving oral or written complaints of unlawful discrimination toward an employee or student. If the complaint is oral, it shall be reduced to writing within 24 hours and forwarded to the superintendent. Failure to do so may result in disciplinary action. The school district encourages the reporting party to complete the complaint form for written complaints. It is available from the principal of each building or the school district office.

The investigation may also consist of other methods deemed pertinent by the investigator.
- C. In determining whether the alleged conduct constitutes a violation of this policy, the school district shall consider the facts and the surrounding circumstances such as the nature of the behavior, past incidents or continuing patterns of behavior, the relationships between the parties involved and the context in which the alleged incident occurred.

- D. The school district may take immediate steps to protect the parties involved in the complaint process, pending completion of an investigation of alleged unlawful discrimination. E. Upon completion of the investigation, the school district investigator shall make a written report to the Human Rights Officer. If the complaint involves the Human Rights Officer, the report may be filed directly with the superintendent or school board. The school district investigator shall conduct a review of the appeal and within ten (10) school days of receipt of the appeal, shall affirm, reverse, or modify the findings of the report. Academic Eligibility

Students involved in activities are expected to maintain passing grades in **ALL** of their classes. There are participation penalties if students receive a failing grade. Students failing a class/classes from the end of a marking period will have the opportunity to restore eligibility. Further information can be obtained from the Activities handbook or the Activities Office.

Daily Class Attendance

Grade 7-12 students involved in athletics or activities must be in school or at a school-sponsored event all day to be eligible for competition. The exceptions to this rule are as follows:

- **7-12 students may have an excused absence from all or part of first and second period (approximately 10:30 a.m.). Parent or guardian must call the student in as ill/excused by 8:00 a.m. that morning.**
- 7-12 students may be excused for a medical appointment or other excused absence, in which case the absence will be allowed for any part, or all, of the school day. Upon returning to school, the student will furnish written notification from the medical office, verifying the visit.

The Activities Director and/or the Principal will make the ultimate decision on a student's eligibility when there are extenuating circumstances to be considered.

Tardiness

Excessive tardiness on the part of activities participants may lead to disciplinary action taken by the school principal which may impact activity participation.

7. Fan Behavior Policy

Purpose

The schools of the Wright County Conference seek to provide a safe environment for athletes and fans at events and to that end expect fans to demonstrate good sportsmanship during athletic events. It is expected that all spectators will treat all athletic participants, coaches, and representatives of competing teams with respect at home and away interscholastic events.

Failure to leave school grounds when ejected will constitute trespass.
 2. Failure to leave school grounds when ejected will constitute trespass.
