

Morris Leatherman Company Data

Two interesting sets of data from the most recent survey conducted for the Association of Metropolitan School Districts (AMSD) by the Minneapolis based research firm - The Morris Leatherman Company. With almost 50 years of combined experience in market and opinion research, Bill Morris and Peter Leatherman know the industry inside and out. The company is comprised of forty full-time and part-time employees. The main principals of the firm possess extensive backgrounds in marketing, public affairs, survey research, and statistical methods. This cross-disciplinary background allows the Morris Leatherman Company to approach research problems from many different perspectives, and to evaluate potential strategies from a myriad of theoretical bases.
